

## IACPM Credit Portfolio Management Educational Seminar

May 16, 2018

### Agenda

*The IACPM Credit Portfolio Management Educational Seminar is intended to promote active discussion among presenters and participants. It provides a framework of sound practices for those new to Credit Portfolio Management-- and a forum for discussion and debate on issues important to those new to CPM or starting CPM functions. All participants should come prepared to discuss and share key issues related to each topic for their business, institution or CPM unit.*
