REGULATORY ADVOCACY AND WORKING GROUPS

Credit Risk Insurance Working Group
The Credit Risk Insurance working group supports the IACPM in analyzing the [results of the biennial market survey](#). In addition to research, the group engages in ongoing IACPM advocacy work with regulators and held IACPM's annual Credit Insurance Summit in London in February.

Market Working Group
Meets as needed to discuss important market developments such as NoR CDS and Fundamental Review of the Trading Book (FRTB).

Monthly Regulatory Update Call
Covers global regulatory developments.

Securitisation Working Group
Focuses on SRT, STS and CRR global regulatory developments for funded and unfunded securitisations and also global sustainable securitisation efforts.

Climate & Nature Risk Working Group
The Climate & Nature Risk working group supports IACPM's periodic research initiatives on the topics. In addition, members of the group join roundtable discussions, such as the recent IACPM/ISSB roundtables on biodiversity, ecosystems and ecosystem services; human capital and **SASB enhancements**, which are part of the ISSB's broader [two-year workplan](#).
